Why I chose to join the Governing Body:

Having spent 25 years in Child care and education in various roles and setting I am looking forward to helping play apart in the governing body committees, I am an enhanced foster parent of two Children, a young boy with ASD and learning difficulties and 4and 3 quarters year old little girl with complex health needs. I have done a foundation degree in Teaching and learning support and a BA (hons) in early childhood studies, I feel I'm able to work with multi disciplinary teams and enjoy collaborative interaction.
