

THE ORCHARDS FEDERATION
GOVERNING BODY

GOVERNOR PROFILE

Name: Holly Bonfield

Type of Governor: Local Authority

Why I chose to join the Governing Body:

I have worked with schools for more than 15 years, supporting governors, aspiring headteachers, middle leaders and school business managers as part of different Government agendas. Having worked in a limited way with many schools, I wanted to focus my support on one school and use all I have picked up to help this school through whatever challenges it is faced with.

I now have grandchildren of school age and being a governor helps me keep up to date with what's happening in their schools too.

My particular skills and interests are:

In my work I support personal and professional development through facilitation, coaching and training. I have worked with schools on leadership development and performance management. The programmes I deliver include elements of strategy, marketing, coaching, team development and change.

I am a Federation of Small Businesses activist, with a passion for business and helping organisations to become more business-focused.

I am an accredited mediator for both workplace and community.
