

THE ORCHARDS FEDERATION

GOVERNING BODY

GOVERNOR PROFILE

Name: Nicola Greenwood

Type of Governor: Co-Opted

Why I chose to join the Governing Body:

I have always been interested in joining the Governing Body as I believe The Orchards is an innovative way forward in education (creating a special education and mainstream community), so when a position became available I was pleased to be asked to consider putting myself forward.

I am passionate that The Orchards continue to grow and improve and I am committed to continue to be as supportive of the federation as I can be; whilst striving for better.

I hope that my varied experience will be of benefit to the existing Governing Body and the federation

My particular skills and interests are:

Prior to having children I worked in the corporate sector; so I can work confidently at board level. I am eager to ask questions and challenge the 'norm' and I am honest, open-minded, work well with others and thrive on hard-work.

As a parent of a special needs child I am involved with various home-based programmes to help him reach his full potential.

I have previously volunteered at COG and was a staff member at Green Fold School before I had my youngest son.

I am also involved in the Green Fold Parent group & Engaging Parents and carers task group.
