

THE ORCHARDS FEDERATION  
GOVERNING BODY

## GOVERNOR PROFILE, 2015

**Name:** Shelley Ashton

**Type of Governor:** Parent (Greenfold)

**Why I chose to join the Governing Body:**

When my daughter started at Greenfold, this was my first exposure to a special needs education setting. I applied to join the governing body around that time.....to learn more about the school, to use my skills to support the school & also to make sure the school was providing my child with a supportive and challenging education at a critical time in her development.

**My particular skills and interests are:**

I have over 20 years experience in a Finance & Operations management role. I also have plenty of experience in managing change & introducing new systems, procedures and technology.

Outside of work & my family I enjoy reading (Kindles are life changing!) and what little time I have left catching up with friends.
